

Hiring Manager
Bending Spoons

Dear Hiring Team,

I'm excited to apply for the Software Engineering role at Bending Spoons. Your mission to build extraordinary products and foster talent resonates with me, and I'd love the opportunity to contribute to your team.

With a background in Data Science and hands-on experience in software development and AI, I've worked on projects like financial transaction analysis and real-time web apps. I thrive on solving complex problems, learning new technologies, and collaborating with driven team these are the values I see reflected in your company culture.

I'm eager to bring my skills and enthusiasm to Bending Spoons and grow alongside your talented team. Thank you for considering my application.

Yours sincerely,
Ahsan
